FOR THE SIX-MONTH PERIODS ENDED JUNE 30, 2021

(UNAUDITED/ REVIEWED ONLY)

AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To The Shareholders of **EASTERN COMMERCIAL LEASING PUBLIC COMPANY LIMITED**

I have reviewed the accompanying consolidated statements of financial position of EASTERN COMMERCIAL LEASING PUBLIC COMPANY LIMITED AND SUBSIDIARIES and separate statements of financial position of EASTERN COMMERCIAL LEASING PUBLIC COMPANY LIMITED as at June 30, 2021, the related consolidated and separate statements of comprehensive income for the three-month and six-month periods then ended, consolidated and separate statements of changes in shareholders' equity and consolidated and separate statements of cash flows for the six-month periods then ended and the notes to interim consolidated financial statements. The Company's management is responsible for the preparation and presentation of these interim financial information, in all material respects, in accordance with Thai Accounting Standard No.34 Interim Financial Reporting. My responsibility is to express a conclusion on this interim financial information based on my reviews.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements No. 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion on these reviewed interim financial statements.

Conclusion

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No.34 Interim Financial Reporting.

Emphasis of matters

I draw attention to Note 3 to the interim consolidated financial statements. Due to the impact of the Coronavirus 2019 outbreak, in preparing the interim financial information for the three-month and six-month period ended June 30, 2021, the Group has adopted the Accounting Guidance on Temporary Relief Measures for Accounting Alternatives Dealing with The Impact of Coronavirus 2019 Pandemic issued by the Federation of Accounting Professions. My conclusion is not modified in respect of this matter.

The adoption of these financial reporting standards and temporary exemptions does not have any significant impact on the Group's financial statements.

b) Accounting Guidances

Accounting Guidance on Temporary Relief Measures for Entities Providing Assistance to Debtors Impacted by Situations That Affect the Thai Economy

The Federation of Accounting Professions announced the Accounting Guidance on Temporary Relief Measures for Entities Providing Assistance to Debtors Impacted by Situations That Affect the Thai Economy. Its objectives are to provide temporary relief measures solely for entities providing assistance to debtors impacted by the situations that affect the Thai economy, such as COVID-19, economic conditions, trade wars and drought, and to provide an alternative for all entities providing assistance to debtors in accordance with measures to assist debtors specified in the circular of the Bank of Thailand No. BOT.RPD. (23) C.276/2563 "Guidelines on providing assistance to debtors impacted by situations that affect the Thai economy" and the circular of the Bank of Thailand No. BOT.RPD. (01) C.380/2563 "Measures to provide additional assistance to debtors during the COVID-19 situation" or any other measures announced by the

Bank of Thailand. Such entities include credit card businesses, businesses providing loans secured against vehicle registrations, personal loan businesses under the supervision of the Bank of Thailand and certain entities not under the supervision of the Bank of Thailand, such as leasing, hire-purchase, motorcycle hire-purchase and factoring businesses. Entities providing assistance to debtors in accordance with the Bank of Thailand's measures and electing to apply this Accounting Guidance have to apply all temporary relief measures in this guidance.

On 22 April 2020, the Accounting Treatment Guidance was announced in the Royal Gazette and it is effective for entities providing assistance to debtors impacted by situations that affect the Thai economy during the period from 1 January 2020 to 31 December 2021 or until the Bank of Thailand makes changes, with which the entities are to comply. The guidance applies to large debtors, small and medium debtors and retail debtors who have the ability to run a business or to pay debts in the future and who have been impacted directly or indirectly by such situations, considering the following guidelines.

- Debtors who were not yet non-performing (Stage 1 or Stage 2) on or after 1 January 2020
- Debtors who became non-performing (Stage 3) on or after 1 January 2019, unless the entity is able to prove that the debtors becoming non-performing before 1 January 2019 are non-performing loans affected by the economic conditions

Since the Group is an entity providing assistance to affected debtors in accordance with the Bank of Thailand's guidelines, it applies these procedures.

- Loans that are not yet non-performing (Non-NPL) are classified as loans with no significant increase in credit risk (Performing or Stage 1), provided that analysis of its status and business shows that the debtor is able to comply with the debt restructuring agreement without compliance monitoring and the debt restructuring is considered a pre-emptive debt restructuring rather than a troubled debt restructuring. If it provides assistance to debtors in accordance with the circular of the Bank of Thailand No. BOT.RPD. (01) C. 380/2563, classification of the debtor remains at the same stage as before.
- Non-performing loans (NPL) are classified as performing loans if the debtor is able to make payment in accordance with the debt restructuring agreement for 3 months or 3 installments consecutively, whichever is the longer period.
- The guidelines specified in the appendix of the circular of the Bank of Thailand relating to assessment of whether there has been a significant increase in credit risk are applied to assess whether a debtor is moving to Stage 2.

3. NEW FINANCIAL REPORTING STANDARDS (CONT'D)

- Expected credit losses are determined based on the outstanding balance of the drawn down portion only.
- A newly calculated effective interest rate is applied to determine the present value of loans that have been restructured in accordance with guidelines to assist debtors specified in the circulars of the Bank of Thailand, if the debt restructuring causes the existing effective interest rate to no longer reflect the estimated cash inflows from the loan. In addition, provided that the provision of assistance is in compliance with the circular of the Bank of Thailand No. BOT.RPD. (01) C.380/2563, the Group recognises interest income on the basis of this new effective interest rate during the grace period, or in accordance with the Bank of Thailand's new guidelines if there are changes.
- Consideration is given to placing less weight on forward-looking information that is the result of the temporary crisis than on information reflecting ability of debt payment from historical experience, in cases where a general approach is used in determining expected credit losses.

c) Financial reporting standards that will become effective for fiscal years beginning on or after 1 January 2022

The Federation of Accounting Professions issued a number of revised financial reporting standards, which are effective for fiscal years beginning on or after 1 January 2022. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards with most of the changes directed towards clarifying accounting treatment and, for some standards, providing temporary reliefs or temporary exemptions for users.

The management of the Group's currently evaluating the impact of these standards to the financial statements.
